Notice is hereby given that the Port Of Sheerness schedule of port charges for 2024 has been reviewed, updated to reflect changes and is now available to view on the Peel Ports website. Both the schedule and accompanying letter, which is referenced below, can be accessed using the links below.

*Dear Customer,*

*I am writing to advise you that the published Port Charges for Port of Sheerness & Chatham Docks Services have been reviewed for 2024 and the updated schedules of Port Charges are now available to download from our website.*

*As per previous years, the review of rates is reflective of the movement in RPI levels. The revised Port Charges booklet also takes into account various capital investment initiatives across the Group (such as infrastructure and technology upgrades); together with increased procurements costs (such as for dredging).*

*Thank you for your continued custom and support.*

*For any queries please contact your local sales representative:  
Richard Ward – [Richard.Ward@peelports.com](mailto:Richard.Ward@peelports.com)*

*For and on behalf of The Port of Sheerness*
