Area : LOCH FYNE  
 Title : Minard - The Lady  
 : Hydrographic Survey  
 Scale : 1 : 1000  
 Issue date : 05/08/02  
 Surveyed : 30/07/02

Drawing No. : HM 1180-1-1

Soundings in metres and decimetres are reduced to Chart Datum (1978) which reads 0.0 metres on the tide board at Otter Ferry. Chart Datum is 1.62 metres below O.D. (N). Figures with \* prefix show heights above Chart Datum. Figures with - prefix show depths below Chart Datum. The actual position of the depth is the decimal point of the sounding.
