No. 42 – 2023

River Medway – Limehouse Reach Quay Wall Repair Works

Notice is hereby given that work to repair a surface water flap valve and a damaged vertical ladder will be getting underway in Limehouse Reach shortly. Work is expected to commence on or around 12th December 2023 with completion due by the end of December 2023.

Contractors carrying out the work will be erecting scaffolding over the sea wall which will extend seawards at the two locations highlighted below.
