Great Yarmouth River Port & Outer Harbour Charges - Operative from 1 January 2024

Dear Customer,

I am writing to advise you that the published Port Charges for Great Yarmouth River Port & Outer Harbour have been reviewed for 2024 and the updated schedule of Port Charges is now available to download from our website.

As per previous years, the review of rates is reflective of the movement in RPI levels. The revised Port Charges booklet also takes into account increased costs (such as for dredging and waste disposal).

The Pilots' National Pension Fund (PNPF) supplement percentage applied to pilotage charges will be held for 2023.

Thank you for your continued custom and support.
