I agree to pay POSL's reasonable charges for considering this application and, if it is successful, their reasonable charges in connection with the grant of any licence.

I consent or am authorised to consent to such personal details as are supplied above being recorded for use solely in connection with the POSL's licensing function (including valuation assessments and appeals). I also consent, or am authorised to consent, to the POSL providing details of the proposed works and their proposed site under in or over the River Medway or Swale, including copies of drawings, to river users or prospective river users, riparian neighbours and bodies or individuals having or exercising statutory powers (such as those set out in the Environmental Information Regulations) duties or an interest in the river.

Signed by the applicant (or agent)	
Date	

REMINDERS

- Under the Medway Ports Act 1973 s 37 (1), the Harbour Authority has the responsibility to licence any works in, under or over the waters of its jurisdiction, that are below the level of High Water.
- The applicant must ascertain what other consents are needed, obtain these consents and provide proof of same (MMO, EA Etc).
- The applicant must construct the works in accordance with the plans submitted to the Peel Ports Medway.
