

NOTICE TO MARINERS

No 83 – 2025

PORT OF LIVERPOOL

DEAD SLOW PASSING THE TRANMERE OIL TERMINAL

NOTICE IS HEREBY GIVEN that all vessels must give the Tranmere Oil Terminal a wide berth and pass at minimum safe speed through the water.

A gig boat has sunk at its mooring behind the north stage at the Terminal, and salvage operations are expected to commence on 17 August 2025.

Mersey VTS will broadcast navigation warnings to vessels navigating in the vicinity of the Terminal Oil Terminal.

A further Notice will be issued when the gig boat has been recovered.
