

NOTICE TO MARINERS

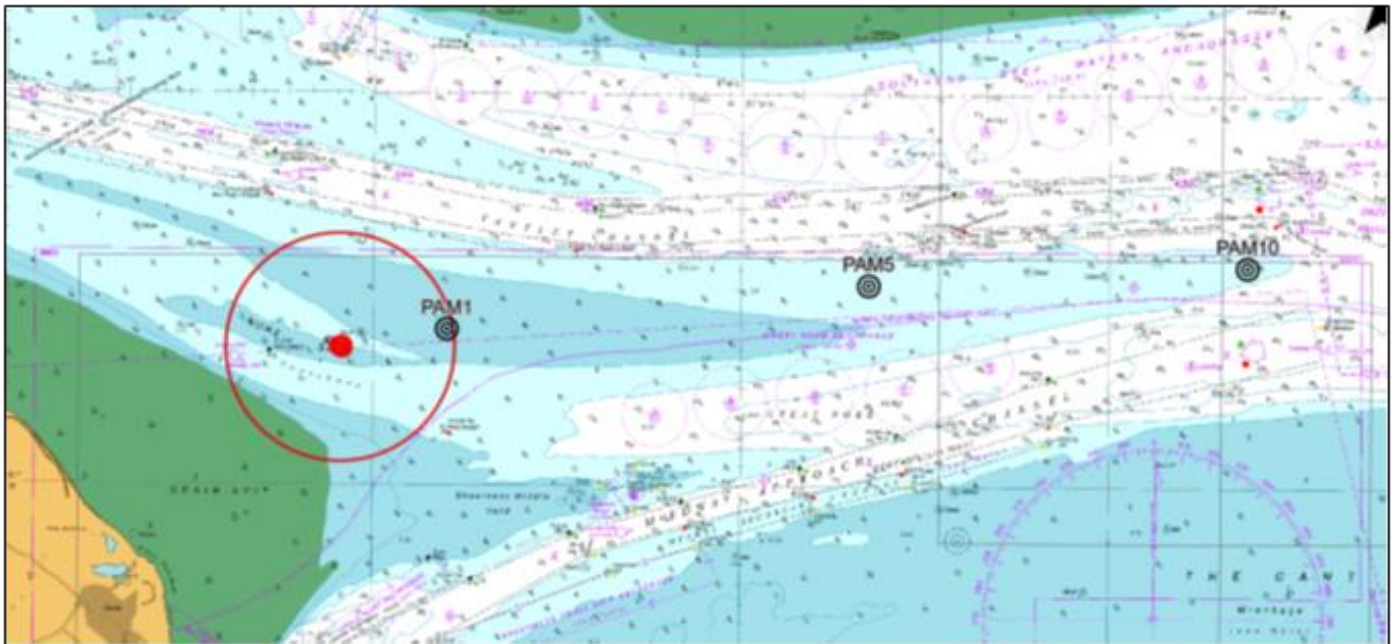

No. 51 – 2024

Approaches to Sheerness Swatchway/Nore Sand – UXO Clearance

Notice is hereby given that as part of the ongoing Neuconnect Interconnector project, unexploded ordnance (UXO) is due to be cleared from the projected cable route in the vicinity of Nore Sand and the Swatchway. High and/or low order detonations of the ordnance will commence on or around 21st of September 2024 but will take place just outside of the Peel Ports jurisdiction, please follow the link below to PLA NtoM L51 of 2024 which gives detail of the work and safety zones that may be imposed.

<https://pla.co.uk/notices/L51-24>

Admiralty Chart No. 3683 refers.

Medway VTS will work in conjunction with London VTS to promulgate relevant safety information and notify mariners when each active clearance operation is taking place. All vessels are required to keep a listening watch on VHF Channel 74 at all times to maintain awareness of the status of operations. A cancellation to this notice will be published on completion of the work.

Further information may be obtained from Medway VTS on VHF Channel 74, call sign "Medway VTS" or telephone 0151 949 6148 (**Recorded Line**).
