Dear Sir

Port Marine Safety Code 'Compliance Exercise' Response

This letter is provided on behalf of Clydeport Operations Limited as owners and operators of Clydeport, for which I am the Duty Holder as identified in the Port Marine Safety Code. In considering the response to the invitation to contact you, and in meeting the requirements and standards under the Code, Clydeport Operations Limited has the following key features in place:

- A local Marine Safety Management System, operated within a wider Group Marine Safety Management System;
- Formal risk assessments, developed from hazard observations;
- A programme of internal Marine Safety Management System audits, supported by external audits; and
- An independent Designated Person reporting to me as Duty Holder.

Through the aforementioned measures, the duties and powers of Clydeport Operations Limited are discharged in accordance with the Marine Safety Management System, based upon a formal assessment of marine risk.

I trust the above confirmation of our key compliance measures provides you with the assurance you seek. Should you require more information, please do not hesitate to contact me.

Yours sincerely

Martin Allison
Port Director
