

NOTICE TO MARINERS

No5 – 2024

PORT OF LIVERPOOL

ISLE OF MAN FERRY TERMINAL – FENDER INSTALLATION

NOTICE IS HEREBY GIVEN that on 8 February 2024 (weather permitting) work is schedule to commence installing fenders on the River wall that is immediately to south of the linkspan of the new Isle of Man Ferry Terminal.

This work will be undertaken from the barge *LM Constructor*, which will be assisted by the workboat *CT Vector*.

Whilst the *LM Constructor* is on site, vessels must pass this location at a suitable distance and at minimum speed through the water to minimize the effects of wash and interaction.

A further Notice will be issued when the fender installation is complete.
