PORT OF GREAT YARMOUTH

Third River Crossing Construction Update (4)

MARINERS ARE ADVISED that works remain ongoing on both bridge cofferdams. Commencing June 2022 platforms will be attached to both cofferdams in order to provide access for concrete pouring works on the bridge structures. The work is expected to continue until end September 2022. Personnel will be working close to water and vessels should be aware and pass at a safe speed to avoid risk to persons and property. Platforms will be lit by downward floodlighting during hours of darkness and restricted visibility.

Mariners should contact 'Yarmouth Radio' on VHF Ch12 or tel. +44 (0)1493 335511 for further information.
