

## HOT WORK CONSENT REQUEST

Hot work consent requests must be submitted via an online application form, accessed via: <https://app.youform.com/forms/hqdnxqqi>.

Each request for consent must be accompanied by copies of the:

- risk assessment
- permit to work
- gas-free certificate (where applicable)

Requests submitted without the relevant accompanying documents will not be authorized.

Hot work must not commence until the requester has received an email from The Manchester Ship Canal Company Limited confirming that consent has been given for the planned hot work.

Details of charges relating to hot work consents can be found in the Schedule of Port Dues and Charges, which can be downloaded from:

<https://www.peelports.com/marine/our-ports/manchester-ship-canal>

The provisions of the Harbour and Port of Manchester General Byelaws 1963 govern hot work within the Harbour and Port of Manchester.
