

NOTICE TO MARINERS

No. 11 – 2018

BRIDGE REACH – ROCHESTER BRIDGE

Rochester rail bridge rope access inspection of the metallic superstructure and span closures

NOTICE IS HEREBY GIVEN that rope access inspection works and span closures will commence on Rochester Rail Bridge on the 5th of November 2017 in the following approximate position;

51° 23.55' N 000° 30.06' E

Only one span will be closed to navigation at any one time. A closed span will be identified by the suspension of three RED disks at the points of an equilateral triangle with the apex downwards and the base horizontal; by night by three RED lights in a similar position to the discs exhibited by day. The RED disks or lights will be suspended from the centre of the closed span.

The safety boat “NIPASHORE” will be in attendance, and will maintain a listening watch on VHF 74.

Further information may be obtained from Medway Navigation Service (VTS) on VHF Channel 74, call sign “Medway VTS’ or telephone 0151 949 6656.
