

NOTICE TO MARINERS

No 42/18

FIRTH OF CLYDE FAIRLIE JETTY

SUBMERSIBLE TESTING OPERATIONS

Chart 1907

Mariners are advised that submersible testing operations will be conducted from Fairlie Jetty, Firth of Clyde between 6th to 9th March 2018. The submersible will be tested for both surface and sub-surfaced operations out to a distance of approximately 200m from the Jetty. There will be two RIBs providing surface support and operations will be conducted between 0900-1700 each day.

Mariners are requested to moderate their speed when transiting this area and give due attention to the effects of wash.

For further information contact Estuary Radio ☎0151-949 6651 or VHF 12.
