

NOTICE TO MARINERS No 13/24 PILOT LAUNCH FUEL SURCHARGE

Mariners are advised that pilotage services requiring the use of a pilot launch continue to be subject to a fuel surcharge of **£105.00 per pilotage act**.

For the avoidance of doubt, vessels requiring the services of an assistant pilot, in addition to a pilot, will incur only one fuel surcharge for boarding or landing both the pilot and the assistant pilot.

The fuel surcharge will be levied in addition to all other applicable pilotage charges and will be reviewed on a regular basis.
