

# NOTICE TO MARINERS

**No. 19 – 2018**

## **RIVER MEDWAY – SALTPAN REACH**

### **BP TERMINAL, ISLE OF GRAIN NO.1 JETTY**

**NOTICE IS HEREBY GIVEN** that from 07<sup>th</sup> May 2018 to 04<sup>th</sup> June 2018 hose testing will be carried out between berthed vessels and the terminal via ship's crane.

Hose lifting tests will be undertaken at Isle of Grain No.1 Jetty, approximate location  
51°25.95'N 000°40.57'E.

During the testing period all vessels must pass at a speed no greater than 7.5 kts and keep a minimum distance of 200m from any vessels berthed alongside. Mariners are requested to pass by with caution and produce minimum wash.

This restriction only applies when there is a vessel berthed at the terminal.
