Dear Sir

**Port Marine Safety Code Compliance Submission – 2018 -2021**

Reference:

- A. MIN 556 (M)
- B. Port Marine Safety Code 2017

This letter is provided on behalf of the Mersey Docks and Harbour Company limited as owners and operators of the Harbour and Port of Liverpool for which I am Duty Holder as identified in the Port Marine Safety Code.

In meeting the requirements and standards under the code, the Port of Liverpool has the following key features in place:

- A local Marine Safety Management System, operated within a wider Group Marine Safety Management System;
- Formal risk assessments, developed from hazard observations;
- A programme of internal Marine Safety Management System audits, supported by external audits, and
- An independent Designated Person reporting to me as Duty Holder.

Through the aforementioned measures, the duties and powers of the Port of Liverpool are discharged in accordance with the Marine Safety Management System and the Port is compliant with the Port Marine Safety Code. It is also confirmed that the Port of Liverpool has recently been audited by independent external auditors and found to be compliant with the Port Marine Safety Code.

Yours sincerely

A handwritten signature in black ink, appearing to read "David Huck".
