BEACONS MAINTENANCE – STEAMBOAT QUAY, RUBH’AN EUN, LITTLE CUMBRAE

Mariners are advised that maintenance works to Steamboat Quay, Rubh’an Eun and Little Cumbrae Beacons are scheduled for a period of approximately 3 months, starting this week. A scaffold will be erected around the structures and this will be covered with a white shrink wrap changing the appearance of the station during daylight hours. The scaffold is expected to be in place for the duration of the works. Day marks may be affected. However, lights will be continuous with only some minor range reduction. Works will be supported by Workboat Tonka.
