

NOTICE TO MARINERS

No 74/18

UPPER RIVER CLYDE - ZIPLINE EVENT

Mariners are advised that there will a Zipline Event traversing the River Clyde on the following date:

Saturday 25th and Sunday 26th August 2018

This will involve a line rigged from a mobile crane sited on the Clyde walkway on the North bank of the River Clyde adjacent to the SECC car park entrance 50m downstream from the Finnieston Crane.

A landing platform will be built on the area directly in front of the Four Winds Building on the South side of the River Clyde.

The maximum height of the steel cable on the zipline is 27m above ground level on the north bank and 6m above ground level on the south bank. The crane jib does not protrude over the river.

Set up will begin at approximately 0730hrs on Saturday and the zipline will be dismantled by approximately 1700hrs on Sunday.

An additional event is planned for Saturday 15th September 2018 and a further NTMs will be issued to confirm.

A safety boat is in attendance for the duration of the event and is called "APLS Safety Boat". The crew are contactable via hand-held VHF radios and will maintain a listening watch on Channels 12 and 16.

Mariners should navigate with caution when transiting this area and may contact Estuary Radio on VHF 12 or ☎ 01475-726221.
