Clyde Marine Managers have conducted a review of Towage Operations in Clydeport and propose to introduce the following:

- Guidance for Towage Operations in Clydeport
- Towage Notification Form

The above documents may be found in the Towage folder at:

<https://www.peelports.com/marine-information?port=clydeport>.

Before the planned implementation date in Q1 of 2019, we would welcome feedback from stakeholders and invite responses by 17th January 2019 when the consultation will close.
