

## No. 59 – 2024

### MEDWAY APPROACH CHANNEL

### Dredging Operations

**NOTICE IS HEREBY GIVEN** that dredging operations are due to take place in the Medway Approach Channel, dredging works will be focussed around the area highlighted on the chart below. Dredging is due to commence on or around 06.11.2024 and will comprise of two stages. The TSHD “Vox Apolonia” will commence dredging on or around 06.11.2024 and will dredge over a number of tides with completion expected within 3.5 – 4 days.

An intermediate survey will then be carried which will reveal any high spots left from the initial dredge operation. The WID “Maas” is then due to mobilise to site on or around 14.11.2024 to carry out a levelling off campaign with completion expected by 23.11.2024, approximately.

“Vox Apolonia” and “Maas” will display the required signals for respective operations by day and night, **all vessels transiting the Medway Approach Channel are requested to navigate with caution, maintain a listening watch on VHF Ch.74 and reduce speed and wash if requested to do so.**
