

NOTICE TO MARINERS

№17 – 2024

HARBOUR AND PORT OF MANCHESTER

SHOALING AT MERSEY WEIR

NOTICE IS HEREBY GIVEN that, following additional dredging, the maximum draughts of vessels when passing Mersey Weir (either inward- or outward-bound) must not exceed **5.3m** (in fresh water).

For the avoidance of doubt, this Notice must be read in conjunction with the most recent version of *MNI01 – Recommended Maximum Vessel Dimensions*, which can be viewed on MSCC's website. If the maximum acceptable draught for a berth specified in MNI01 is less than 5.3m, then the vessel's draught must not exceed the lesser figure.

The restrictions and requirements detailed in Notice to Mariners №12/2024 have been withdrawn and that Notice has been cancelled.
