

# NOTICE TO MARINERS

## № 6 – 2025

### HEYSHAM HARBOUR

#### LINKSPAN № 1

NOTICE IS HEREBY GIVEN that from **07.00 on 16 June 2025**, engineering work will commence on the Linkspan №1 pontoon and fenders. From this time, vessels will not be permitted to use the Linkspan №1 berth.

This work will involve de-ballasting the pontoon and will utilise a workboat. Accordingly, vessels manoeuvring within the Harbour, particularly those arriving at or departing from Linkspan №2, must be mindful of the effects of propeller wash and interaction on the Linkspan №1 pontoon and workboat.

It is anticipated that this work will take two weeks to complete. A further notice will be issued once the completion date is known.
