

## NOTICE TO MARINERS No 18/24

### RIVER CLYDE – CONSTRUCTION OF GOVAN TO PARTICK FOOTBRIDGE

Chart 2007 Plan D

Mariners are advised that works associated with building a new opening footbridge across the River Clyde between Govan and Partick are ongoing. The south bridge pier is complete and the bridge span is installed in the open position. Works to establish the north pier will continue until approximately September 2024. The green circles indicate the locations of the bridge piers. A safety boat is in operation to support the works as required. Mariners should note that there may be a requirement for divers to support this project from time-to-time.

Mariners are requested to navigate with caution in this area and pass the construction site at appropriate speed.

Estuary Radio may be contacted on VHF Ch 12 or on 0151- 949 6651 (Recorded Line).

The cofferdam works will be conducted from CW6 barge, with planned locations as follows:

### NORTH COFFERDAM BARGE LOCATION
