

Mariners are advised that a survey of the submarine power cable between Farland Head and Kintyre is planned from 5<sup>th</sup> February for a period of approximately two weeks. Work will be conducted by the vessel Viking Reach which may be limited in ability to manoeuvre during operational periods.

Mariners are requested to navigate with additional caution when navigating in this area and maintain a safe distance from the works and vessels involved in the project. A listening watch shall be maintained at all times on VHF Ch12.
