

## NOTICE TO MARINERS

**Nº11 - 2019**

**PORT OF LIVERPOOL**

### **BURBO BANK EXTENSION WINDFARM EXPORT CABLE ROUTE SURVEY**

NOTICE IS HEREBY GIVEN that a survey is to be undertaken of the export cable route that links the Burbo Bank Extension Windfarm to the shore.

The export cable route, which is marked on chart BA1978, runs in close proximity to the south eastern boundary of Port of Liverpool Designated Anchorage Nº9.

The survey will be undertaken by the vessel *Titan Discovery* (Call Sign 2HCR3) using survey gear that will be towed up to 100m astern of the vessel. During the survey operations, *Titan Discovery* will maintain a listening watch on VHF Ch. 14 and 16.

Masters of vessels are requested, where possible, to navigate at reduced speed and at a suitable distance from *Titan Discovery*, which will be restricted in its ability to manoeuvre.
