

NOTICE TO MARINERS

Nº11 - 2019

HARBOUR AND PORT OF MANCHESTER

RIVER WORKS AT WARRINGTON

NOTICE IS HEREBY GIVEN that engineering works are to take place to stabilise the bank of the River Mersey fronting the War Memorial Gardens in Warrington.

The works, which will be undertaken on the south bank of the River Mersey between Warrington Bridge and the A49 Diversion Bridge, are due to commence in mid-March for a period of eight weeks.

During the period of the works, Mariners are advised to navigate with due care and caution and at dead slow speed through the water when passing this location.
