

NOTICE TO MARINERS

No 41/19 (REF CNTM 34/19)

FIRTH OF CLYDE – LARGS – NEW SEA OUTFALL

Chart 1907

Further to CNTM 34/19, mariners are advised that works to install the new outfall pipe are scheduled from 8th to 10th May 2019. The pipe is 200m long and will be launched from Fairlie Quay before being towed into position at Largs.

During this phase of the works, 3 workboats and a spudleg barge will be employed to manoeuvre the pipe into position.

CW-4

CHALLENGER OF LEITH

COASTRUNNER

COASTWORKER

All vessels will maintain a listening watch on VHF Channels 12 and 16.

Once the new pipe has been positioned, divers will be onsite until approximately 17th May installing the marker post and various other underwater tasks. During diving operations all appropriate shapes and lights will be displayed as prescribed by International Regulations for Preventing Collision at Sea (Colregs).

Mariners should navigate with caution when transiting this area, passing well clear of the works and moderating speed to reduce the effect of wash. Estuary Radio may be contacted on VHF 12 or ☎ 01475-726221.
