

NOTICE TO MARINERS

№18 - 2019

PORT OF LIVERPOOL

CITY OF LIVERPOOL CRUISE TERMINAL ENGINEERING WORKS

NOTICE IS HEREBY GIVEN that engineering works are to take place on the pontoons at the City of Liverpool Cruise Terminal.

These works will be undertaken from 14 May to 17 May 2019 (inclusive) between 0830 and 1730 on each day.

As personnel will be required to enter the spaces between the pontoons and the void spaces within the pontoons, all vessels are requested, for the duration of the works, to pass the City of Liverpool Cruise Terminal at a suitable distance and at dead slow speed through the water to minimize the effects of wash.

Furthermore, no vessels are to come alongside the City of Liverpool Cruise Terminal unless the Terminal Manager has granted permission.
