

NOTICE TO MARINERS

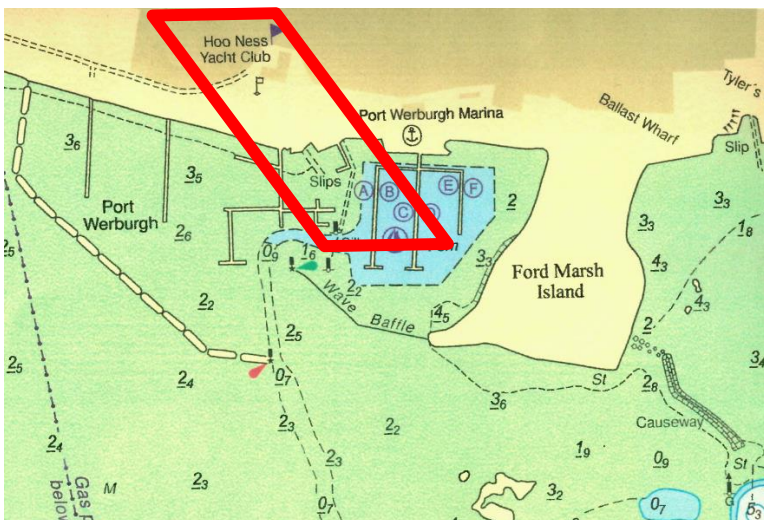

No. 18 – 2019

RIVER MEDWAY – CHATHAM – SHORT REACH – HOO NESS YACHT CLUB SLIPWAY

NOTICE IS HEREBY GIVEN that between 13th May 2019 and 28th June 2019 construction and improvement works will take place to the slipway belonging to Hoo Ness Yacht Club which is situated between Port Werburgh and Port Werburgh Marina (formerly Hoo Marina). The work consists of the removal of the existing shingle and hardcore slipway replacing it with a new clean hardcore base which will support a new reinforced concrete slipway that will be joined to the existing concrete slipway. Works will be carried out over the three hours either side of the daytime low water when the slipway is accessible above the tide mark.

The slipway is located in approximate position: 51° 24.67' N 000° 33.60' E

These works do not involve any hazard to navigation due to the location of the slipway. Mariners are advised to keep clear of the area throughout this period due to unseen obstructions that may be present below the waterline during the construction of the reinforced concrete that may reduce the depth of safe water available and which could cause damage to craft.

UKHO Chart 1835 refers

NOTICE TO MARINERS

Further information may be obtained from Medway VTS on VHF Channel 74, call sign "Medway VTS" or telephone 0151 949 6148 or 0151 949 6650.
