

NOTICE TO MARINERS

No. 19 – 2019

RIVER MEDWAY – SALTPAN REACH - GRAIN LNG - JETTIES NOS. 8 & 10 – DIVING OPERATIONS

Notice is hereby given that: Fire Pump Maintenance Works are due to take place behind and under Grain LNG, Jetties No. 8 & 10, involving diving operations. These will commence **Tuesday 21st May 2019** for a period of approximately **10** days.

The jetties are centred in the following approximate positions:

Terminal No.8: 51° 25.93' N 000° 42.18' E

Terminal No.10: 51° 25.94' N 000° 42.54' E

Divers will be working on and below the waterline from the Crane-barge “Renate II”, with the workboat “Avocet” in attendance. “Avocet” will be at all times monitoring VHF Channel 74. In addition, a fast RHIB/ tender will be deployed as a guard vessel in order to slow down, warn and intercept any craft passing too close. “Renate II” will display the International Code of Signals Flag “A” at all times that divers are in the water.

International Code of Signals flags, “RY”, will be displayed at the jetty head and Mariners are advised to slow down, make minimum wash and maintain a listening watch on VHF Channel 74, navigating with caution and keeping well clear of the **150m exclusion zones** when passing Grain LNG Terminal (Medway Notice to Mariners 02 -2019 refers)

Further information may be obtained from Medway VTS on VHF Channel 74, call sign “Medway VTS” or telephone 0151 949 6148 or 0151 949 6650.
