

NOTICE TO MARINERS

№26 - 2019

PORT OF LIVERPOOL

CARGO DETAILS

NOTICE IS HEREBY GIVEN that the attention of Masters of vessels discharging or loading cargo in the Port of Liverpool is drawn to their obligation to provide MDHC with details of such cargoes. This requirement is specified in Part 1, Section 2.2(f)(i) "Documents to be Furnished" of the Port of Liverpool Schedule of Port Charges.

Cargo details (e.g. copies of bills of lading or cargo manifests) must be supplied (as PDF attachments) by email to sfs.billing@peelports.com within two working days of the day upon which the vessel completes discharging or loading cargo as appropriate, unless otherwise agreed in advance by MDHC.

Whilst cargo details may be provided on behalf of the Master by another party (such as the vessel owner, charterer or an appointed agent), the Master of the vessel is responsible legally for the provision of this information and may be liable to a fine if it is not provided.

Queries regarding this procedure should be directed to sfs.billing@peelports.com.
