

## No. 21 – 2019

# RIVER MEDWAY – SALTPAN REACH GRAIN LNG JETTY NO.8 - PILE INSPECTIONS

**Notice is hereby given that:** Commencing on **Wednesday 10th July 2019**, pile inspection work will commence at **Grain LNG Jetty No 8** and last for approximately 3 days.

The jetty is centred in the following approximate position:

Terminal No.8:    51° 25.93' N        000° 42.18' E

Men will be working on the waterline and underneath the jetty head with the workboats "Avocet" & "Pup" and a small RHIB tender.

The International code of signal/boards "RY" will be displayed at the Jetty Head and the workboat "Avocet" will be monitoring the exclusion zones to warn and if deemed necessary slow down any leisure craft approaching the LNG Jetties at speed.

Mariners are politely requested to slow down, make minimum wash and maintain a listening watch on VHF Channel 74, navigate with caution and keep well clear of the permanent exclusion zones. (Medway Notice to Mariners No 02-2019 refers).

Further information may be obtained from Medway VTS on VHF Channel 74, call sign "Medway VTS" or telephone 0151 949 6148 or 0151 949 6650.
