

NOTICE TO MARINERS

No 68/19

GREENOCK OCEAN TERMINAL

CRANE MAINTENANCE

Chart 1994

Mariners are advised that maintenance works are planned for the West Container Crane No 2 from 5th September until further notice. During these works the crane boom may be fixed and overhanging the quay by a distance of 35m.

Mariners are advised to maintain a sufficient distance from the Terminal when transiting the river. Vessels arriving at Greenock Ocean Terminal will be advised on berthing position by Terminal Management.

For further information contact Estuary Radio ☎0151-949 6651 or VHF 12.
