(a) Liability to Charges
The owner and master of a vessel are jointly and severally liable for the charges thereon. Vessels are liable to charges as follows:

(i) Conservancy Charges
A vessel coming into or going out of the Port is liable to the Conservancy charge appropriate to her voyage as specified in paragraph 1.2.

(ii) Berth Charges

(c) Payment of Charges
(i) Berth and Conservancy charges are payable at the office of the Shared Financial Services Department of the Company at Maritime Centre, Port of Liverpool, Liverpool L21 1LA.

(e) **Mode of Charging**

Charges on vessels are levied on the vessel's gross tonnage (GT) as follows:

(i) One arrival with one departure of a vessel is considered as one voyage whether such vessel has traded both inwards and outwards, or arrived or departed in ballast, subject to:

2. A vessel coming into the Port to load only (arriving in ballast) is liable to the Conservancy charge appropriate on the outward voyage as specified in paragraph 1.2.
3. A vessel which either enters the Docks to discharge a bulk commodity and thereafter loads in the Docks a bulk commodity of a different type, general cargo or containers or which enters the Docks to discharge general cargo or containers and which thereafter loads a bulk commodity shall be charged Berth charges for the period of discharge at the appropriate charge for vessels discharging or discharging/loading and, for the period of loading, the appropriate charge for vessels loading only.

(ii) Vessels trading inwards only and leaving the Port in ballast are liable to the charges payable in respect of the most distant of all the places at which the cargo on board on her arrival was loaded.

(iii) Vessels arriving in the Port in ballast and trading outwards only are liable to the charges payable in respect of the most distant of all the places at which the cargo on board on her leaving is to be discharged.

(iv) Vessels arriving in the Port in ballast and leaving the Port in ballast are liable to Conservancy charges at the Coastwise rate.

(v) Vessels coming into the Port to work cargo and arriving at and leaving the Port carrying cargo are liable to the charges payable in respect of whichever place is the most distant of all the places at which the cargo on board on her arrival was loaded and the cargo on board on her leaving is to be discharged.

(vi) Vessels which come into the Port and enter the Dock systems in both Liverpool and Birkenhead shall be liable to Berth charges assessed separately in respect of each use of the Liverpool or Birkenhead Dock systems.

The following operations shall not be deemed to be navigating or moving for the purposes of this paragraph (c), namely:

(i) navigating or moving an inward bound vessel from an anchorage within the Port;
(ii) navigating or moving an inward bound vessel from an anchorage within the Port to a dock;
(iii) navigating or moving an inward bound vessel from an anchorage within the Port to await the tide or favourable weather.

(d) For each occasion on which a vessel is required to move along the quayside and requires the service of a Pilot the fee shall be £334.

(e) For each occasion on which a vessel is required to move from a berth and go to another berth within an enclosed dock in the Port or return to the same berth after swinging, then the fee shall be 50% of that charge as described in paragraph (c) of this Schedule for a vessel which is navigated or moved within the Port via the River Mersey.

(f) (i) For each occasion on which a Pilot is booked for an inward bound vessel, but the booking is subsequently amended or cancelled with less than 2 hours’ notice prior to the scheduled launch time, a charge of £180 shall be payable.

(ii) For each occasion on which a Pilot is booked for an outward-bound vessel, or a vessel moving within the Port, but the booking is subsequently amended or cancelled with less than 2 hours’ notice prior to the booked time, a charge of £180 shall be payable.
These charges shall be doubled if a Pilot attends on board (without the Pilot conducting the vessel) or has boarded the launch and the booking is subsequently cancelled.

(g) (i) For each hour (or part thereof) in excess of the first two hours that a Pilot booked for an outward vessel remains at the boarding point before sailing, a charge of £180 shall be payable.

(ii) If a Pilot remains on board, either an inward vessel or a vessel that has navigated or moved within the Port, due to either a request/direction to remain on board or because there is no safe means for the Pilot to disembark from the vessel (unless due to prevailing weather conditions, in which case the provisions of paragraph (b) of this Schedule shall apply) then a charge of £180 per hour (or part thereof) shall be payable from the time that the vessel is all fast until such time as the Pilot has disembarked or commences a further act of pilotage, whichever is sooner.

(h) Except as provided in paragraph (i) of this Schedule, where because of bad weather a Pilot is carried away or is boarded beyond the Port, any landing fees, travel or hotel charges incurred by the Pilot as a result of being carried away or boarded beyond the Port shall be payable together with the following sums (as applicable) for each day, or part thereof, that the Pilot is away from home, due to his being carried away or boarded beyond the Port:

(i) Irish Sea Ports (including Douglas I.O.M.) £707
(ii) Other UK and Irish Ports £1926
(iii) Other EU Ports £2888
(iv) Other Ports outside EU £4816

(Masters, Agents and Owners are reminded that it is a serious offence under section 19 of the Pilotage Act 1987 (and any statutory amendment or re-enactment thereof), to take an authorised Pilot out of the district without reasonable excuse, and without his consent).

If a Pilot travels to a point beyond the Port for the purpose of boarding an inward bound vessel and the booking is cancelled (and the pilot cannot be assigned to another inward bound vessel from the same point on the same tide), then the charges as specified in paragraph (h) of this Schedule, in addition to any other cancellation charges, shall apply.

(i) The charge for boarding or landing a Pilot at Lynas Pilot Station, Anglesey shall be £859 per Pilot. In the event that the Pilot has to be boarded or landed at Lynas Pilot Station due to bad weather, then the charge shall be £290 per Pilot. If a Pilot travels to Lynas Pilot Station and the booking is cancelled, after the Pilot has arrived there, a charge of £859 shall be payable in addition to any other cancellation charges.

(j) Where a vessel fails to comply with the procedures for Estimated Time of Arrival or Estimated Time of Departure messages (including short notice bookings for a Pilot) provided for in the Pilotage Directions a surcharge of 50% or 25% respectively, of the relevant charge for the pilotage service required, shall be payable in addition to the relevant charge.

(k) Where a booking for an outward-bound vessel or vessel transporting (i.e. navigating or moving solely within the Port) is received outside the period 0800 hours to 1630 hours on weekdays, 0900 hours to 1200 hours on Saturday, or 0800 hours to 1000 hours on Sunday and Bank or other National Holidays, an additional charge of £180 shall be payable.
(l) Where a Pilot attends a Master or representatives of a vessel for a pre-sailing or pre-arrival consultancy, a charge of £218 shall be payable. Where a Pilot is consulted by telephone, a charge of £82 shall be payable.

(m) For all vessels which require the services of a second Pilot, an additional charge, equivalent to the ordinary charge applicable to that vessel, shall be payable for the second Pilot.

(n) If a vessel sails from a dock or river berth and, having elected to anchor in the River Mersey for any reason, discharges its Pilot (with the permission of the Company) but with a definite time for sailing on that tide or the flood of the next tide, no extra charge shall be made; but otherwise a surcharge of 50% of the ordinary charge applicable to that vessel shall be payable.

(o) A vessel navigating to an anchorage for vessel’s business (which shall include bunkering or lightening) as part of her main inward or outward voyage shall be charged a surcharge of 50% of the ordinary charge applicable to that vessel.

(p) A vessel engaged in adjusting compasses or calibrating equipment while the Pilot is still on board shall be charged £180 per hour (or part thereof). An additional charge of £376 shall be payable on each occasion that a compass adjuster is transported to or from a vessel.

(q) Where a pilotage service is performed for which no charge is provided for in this Schedule, then the Company shall be entitled to make such charge as it considers reasonable in all the circumstances for the service performed.

(r) Charges for Pilotage Exemption Certificates granted by the Company (“Certificates”) are as follows:

(i) Fee for issue of Certificate £1982
(ii) Examination fee for Certificate £992
(iii) Fee for annual renewal of Certificate £180
(iv) Fee for alterations to a Certificate £79
(v) Fee for “check-ride” £993

(s) Where a vessel is piloted in the Port by a Deck Officer who holds a current Pilotage Exemption Certificate for the Port in respect of that vessel, the Company shall levy a Pilotage Exemption Charge equivalent to 13.0% of the Scheduled Pilotage Charge per movement pursuant to Section 10(3) of the Pilotage Act 1987 (and any statutory amendment or re-enactment thereof), up to a maximum number of movements per annum of 300 in and 300 out per vessel.

3. Appropriation Fees

In addition to the charges otherwise payable pursuant to the Schedule of Pilotage Charges, the following charges shall also be payable per occasion where a vessel takes an appropriated Pilot, which, for the purposes of this Clause, means a Pilot appropriated by the Company to a particular shipowner, agent or shipping company on the application of that shipowner, agent or shipping company.

| Vessels of 20000 GT or less navigating to or from a berth on the River Mersey or a dock in the Port from or to the Sea | £173 |
| Vessels of 20001 GT to 40000 GT navigating to or from a berth on the River Mersey or a dock in the Port, from or to the Sea | £342 |
Vessels of 40001 GT to 60000 GT navigating to or from a berth on the River Mersey or a dock in the Port, from or to the Sea £516

Vessels of 60001 GT and over navigating to or from a berth on the River Mersey or a dock in the Port, from or to the Sea £687

Vessels of less than 1000 GT belonging to Her Majesty using Princes Stage or manoeuvring in a dock system £173

Vessels of more than 1000 GT belonging to Her Majesty using Princes Stage or manoeuvring in a dock system £342

Vessels navigating to or from the Port of Manchester from or to the Sea £202

Vessels under 20000 GT lightening in Liverpool Bay or in the River Mersey £173

Vessels of 20000 GT and over lightening in Liverpool Bay or the River Mersey £308

4. PAYMENT OF CHARGES

The owner and master of a vessel are jointly and severally liable for the pilotage charges therefor. All pilotage charges shall be paid to the Company on demand, unless otherwise agreed by the Company.

5. VARIATION

The Pilotage Directions and pilotage charges may be altered or varied at any time and from time to time in such respects and in such manner as the Company may consider desirable.

Note: Since 2013, all pilotage charges have included a Pilots’ National Pension Fund (PNPF) supplement; the supplement was introduced by many ports across the ports sector as a consequence of having to fund the significant deficit in the PNPF. From 1st January 2020, a supplement of 23% (which is included in the aforementioned charges) shall be applied to pilotage charges. This supplement shall be kept under regular review.
PART 3 - TOWAGE

Towage of vessels in the Port of Liverpool is undertaken on a commercial basis by ship handling tugs registered with the Company. Details of ship handling tugs and their operators can be obtained from the Company’s website.
PART 4 - QUAY RENT AND SPECIAL RENT

Regulations and Charges

1. PREAMBLE

Users of the Port of Liverpool are reminded that unless specified to the contrary in any conditions issued by the Company relating to particular services or facilities, neither warehousing nor storage nor protection of goods is provided by the Company whilst such goods are on the Docks, nor do the Company have custody of the same, and all goods on or within the Docks are at the owner’s sole risk in every respect and the Company shall not be responsible for loss or damage of any nature whatsoever howsoever arising thereto.

2. GENERAL RULES AND REGULATIONS

2.1 GOODS IN TRANSIT

Goods imported and landed or deposited at the Docks for exportation from the Docks are exempt (except where by Order of the Company it is otherwise provided) from payment of Quay Rent and Special Rent, provided that such goods are not an obstruction to or interfere with the working of the Docks.

2.2 QUAY RENT

Any goods landed or deposited at the Docks and not removed before 1700 hours on the third working day next after the day on which the same were so landed or deposited, are liable to Quay Rent at the rate of £10.01 per square metre per day.

2.3 SPECIAL RENT

(a) Notwithstanding their liability to Quay Rent, inward and outward goods (other than wrecked or fire damaged cargoes) landed or deposited at the Docks shall, until further Order of the Company and subject to the provisions of these Regulations, be permitted to remain thereon or therein, without application in that behalf, subject to the payment of Special Rent in lieu of Quay Rent. Details of such charges are available on request.

(b) Notwithstanding anything hereinbefore contained, the Company may:

(i) extend the period for which goods shall be permitted to remain on the Docks at a specified Special Rent, or

(ii) refuse or withdraw, on 24 hours’ notice, the privilege of Special Rent in respect of any goods.

(iii) vary the terms for Special Rent in respect of any particular cargo at any time, and in such respects and in such manner as the Company may consider desirable.

2.4 OVERLANDED CARGO

Overlanded cargo shall be subject to such special rate of rent as determined from time to time by the Company.

2.5 OUTWARD CARGO

Outward cargo shut out of any vessel shall be subject to such special rate of rent as the Company may from time to time determine.
2.6 WRECKED AND FIRE-DAMAGED CARGO
Notwithstanding their liability to Quay Rent, wrecked or fire-damaged cargo landed or deposited at the Docks shall, until further Order of the Company, be permitted to remain thereon without application in that behalf at a rate of £0.19 per square metre day in lieu of Quay Rent, which privilege the Company may nonetheless determine on 24 hours’ notice. Thereafter Special Rent shall be charged, at such rates as specified from time to time by the Company, calculated from the original day of landing of the relevant goods.

2.7 PAYMENT OF CHARGES
Quay Rent and Special Rent are chargeable to any owner, consignor, consignee, shipper or agent for the sale or custody, loading or unloading of goods, provided that should any action by the owner or agent of the vessel, or the Cargo Operator employed by the owner or agent, or, at the time of application for delivery of the goods, obstruct or make such delivery impossible, the rent shall be chargeable to the vessel’s owner or agent or the Cargo Operator, as the case may be, until such time as the goods are available for delivery.

2.8 APPEALS
Appeals for remission or reduction of Quay Rent or Special Rent shall be considered if made within one month from the day on which the account in respect thereof is issued; provided that the full amount of such rent has been previously paid. On any such appeal, the Company may remit the whole or any part of such Quay Rent or Special Rent.

3. NOTICE TO OWNERS OF GOODS
No rental charges whatsoever are incurred by goods which are removed from the Docks within 72 hours after landing.

Owners of goods are advised to give the Cargo Operator advance notice of their intention to apply for collection of their goods therefrom.
PART 5 - LINE HANDLING (ANCILLARY SERVICES)

1. TERMS AND CONDITIONS

Any agreement between the Company and a Hirer for the provision or performance of Line-handling Services by the Company is and shall be subject to the Company’s Terms and Conditions for Ancillary Services relating thereto. Use of the Company’s Line-handling Service shall be deemed to constitute notice of and agreement to these Terms and Conditions provided that, prior to use of the said service, the Company shall take all reasonable steps to ensure that Hirers are aware of these Terms and Conditions and that copies are available on request.

Such Terms and Conditions are available upon the Company’s website or upon request from the Harbour Master’s Department.

2. CHARGES

(a) The Hirer shall pay to the Company the charges in accordance with the Schedule of Line-Handling Charges hereto. The Charges in paragraphs (a) and (b) thereof are based on the vessel GT and exclude hire charges for attendant Gig Boat and crew provided at the request of the Hirer (but not otherwise).

(b) Additional charges to those listed in the said Schedule shall be payable by the Hirer for any special service over and above normal line-handling services (such as, for example, the employment of attendant Gig Boat and crew).

(c) Charges for docking, undocking or transporting vessels after 2400 hours Sunday and up to 2400 hours Friday, shall be at the standard day rate quoted in the Schedule hereto.

(d) Charges for docking, undocking or transporting vessels after 2400 hours Friday and up to 2400 hours Sunday (“weekends”) shall be at the standard day rate plus 50%.

(e) Charges for docking, undocking or transporting vessels on Bank and other National Holidays (with the exception of Christmas Day, Boxing Day and New Year’s Day) shall be at the standard day rate plus 100%. Rates for Christmas Day, Boxing Day and New Year’s Day shall be available upon application to the Harbour Master’s Department.

(f) Charges are calculated from time of order, but the rates quoted in paragraphs (d) and (e) above, shall become due if a vessel docking crosses the outer sill of a Lock after 2400 hours Friday and up to 2400 hours Sunday, or on a Bank or other National Holiday, or when a vessel sailing, or shifting, does not ‘break away’ until such hours or Holidays.

3. ORDERS AND NOTICES

(a) All original orders for Line-handling Services are to be requested as far in advance as possible. During weekdays after 0800 and up to 1630 hours, the minimum ordering time shall be one hour in advance of the required time of the line-handling services.

(b) An attendance charge for Line-handling Services at the rate of 10% of the relevant charge shall become due if an order for Line-Handling Services is cancelled or
amended without the required notice of cancellation or re-ordering, respectively being
given to the Company in accordance with paragraph (c) below.

(c) Charges for docking, undocking or transporting vessels from 1730 hours Friday and
up to 0900 hours Monday and from 1730 hours Monday to Thursday inclusive and
0900 hours the following day or on a Bank or other National Holiday shall be at the
appropriate rate plus 30% if the order to the Company’s Ancillary Services Control is
received after 1630 hours on the last normal working day before the required service.

(d) Notices of cancellation and re-orders for Line-handling Services at a later time (so that
no charge is applicable) shall be accepted at the following hours’ notice:

(e) Notices of cancellation and re-orders for Line-handling Services to be performed at an
earlier time than the original order shall be accepted at the above hours’ notice and
shall be charged at the appropriate rate plus 30% if the time of re-order falls after 1630
and up to 2400 hours or after 2400 and up to 0800 hours on weekdays or after 1630
hours Friday and up to 0800 hours Monday or on a Bank or other National Holiday.

(f) If men are ordered to attend a vessel and are detained for a complete hour or more
without working due to or resulting from the act or default of the Hirers, their servants,
agents or independent contractors, or any other circumstances not being the act or
