

PORT INFORMATION NOTICE

No 05/20

RIVER CLYDE – BELLS BRIDGE AND MILLENNIUM BRIDGE

Mariners are advised that the contact details for opening of the Bells Bridge and Science Centre Bridge on the River Clyde are as follows:

The Bells Bridge is operated by Clydelink Ltd and they can be contacted on:

☎ 01436-831222 or 📞 07815-869609.

At least 2 hours notice is required for the bridge to be opened.

The bridge is normally in closed position to all marine traffic.

The Millennium Bridge (or Science Centre Bridge) is operated by the Glasgow Science Centre who can be contacted on:

☎ 0141-420 5030 or 📞 07733-889056.

Please be aware that the Millennium Bridge is currently out of operation and cannot be opened for river traffic.

The bridge is normally in closed position to all marine traffic

Mariners are reminded that the bridges cannot be opened in wind speeds of more than 20mph (17kts).
