#### ROYAL SEAFORTH CONTAINER TERMINAL – USE OF TUGS FOR ARRIVAL OR DEPARTURE

NOTICE IS HEREBY GIVEN that with immediate effect, all vessels (excluding tugs and workboats) berthing at or unberthing from the Royal Seaforth Container Terminal (i.e. berths S3–S6, Royal Seaforth Dock) must be assisted during berthing or unberthing manoeuvres by not less than two tugs.

At all other times, the requirements of the ship-assist towage matrix (and associated deviation considerations) of the Towage Guidelines will continue to apply.
