

NOTICE TO MARINERS

№3 – 2020

PORT OF LIVERPOOL

CONSTRUCTION OF THE CENTRE PARK LINK BRIDGE

NOTICE IS HEREBY GIVEN that on 27 January 2020, construction is to commence on the span of the new Centre Park Link Bridge.

The Centre Park Link Bridge is located on the upper Mersey, approximately 460 m upstream of the Walton Railway Viaduct №1 (Twelve Arches Viaduct).

Whilst construction work takes place, all vessels must remain clear of the Centre Park Link Bridge construction area and must not pass under this bridge whilst this Notice remains in force.
