

**NOTICE TO MARINERS**

**No 33/20 (REF CNTM 17/20)**

**FIRTH OF CLYDE – GREENOCK OCEAN TERMINAL**

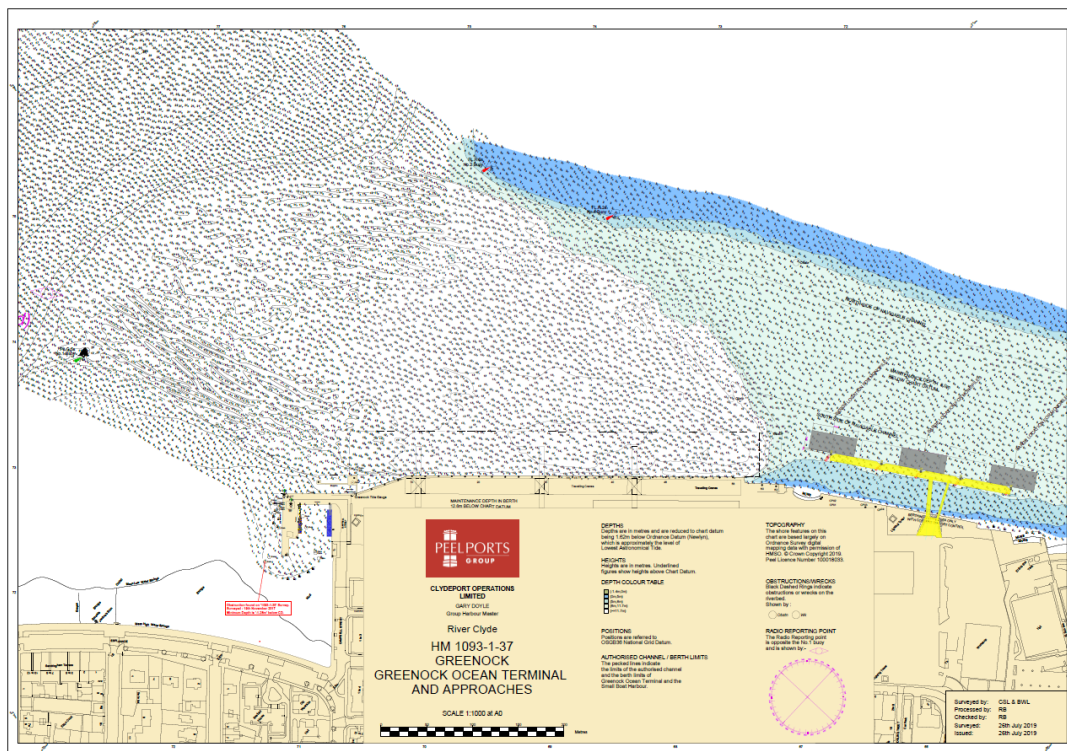

**NEW CRUISE BERTH WORKS**

**Chart 1994**

Mariners are advised that works remain ongoing to complete monopile installation in the area adjacent to Greenock Ocean Terminal as shown on the drawing below. The works are being conducted by the COMMANDER JACK UP BARGE and it's associated workboats COASTWORKER and CHALLENGER OF LEITH. Barge CW7 will also be operating in support of COMMANDER JACK UP BARGE.

These works are now expected to continue until approximately the end of March 2020 and plans for final installation of pontoon structures are progressing. Working operations remain between the hours of 0700 and 1900. A safety boat remains in attendance, and appropriate lights and shapes will be displayed during operational periods. All vessels will maintain a listening watch on VHF 12 and 16.

The temporary lights (two vertical all round green) installed on the most easterly and westerly piles are intended to become permanent aids to navigation on completion of the works. Comments from mariners on this are welcomed by 31<sup>st</sup> March 2020 (email to [clydemarinemanagers@peelports.com](mailto:clydemarinemanagers@peelports.com)).
