

NOTICE TO MARINERS

No 39/20

**UPPER LOCH FYNE – STRACHUR
SEWAGE OUTFALL MAINTENANCE WORKS**

Chart 2382 Plan A

Ref CNTM 36/20, mariners are advised that maintenance work to replace concrete matting on an existing sewage outfall have been re-scheduled to take place from 24th – 25th March 2020 in the following location:

The works will be carried out by OSCAR working with a dive team. Appropriate lights and shapes will be displayed and a listening watch will be maintained on VHF Channel 12.

Mariners are requested to transit these areas with caution, giving due regard to the effects of wash.

For further information contact Estuary Radio ☎0151-949 6651 or VHF 12.

THIS CNTM WILL EXPIRE AT 2359hrs 26th MARCH 2020
