

NOTICE TO MARINERS

No46 – 2020

PORT OF LIVERPOOL

GLADSTONE LOCK – DAMAGED COPING

NOTICE IS HEREBY GIVEN that the coping on the east side of Gladstone Lock, in way of the 65 m mark, has sustained damage.

To prevent debris falling into the lock, the damaged section of coping has been removed.

Mariners must be mindful of this gap in the coping when transiting the lock and conducting line-handling operations.
