

Mariners are advised that sediment sampling work is planned at Carless Jetty, from Monday 22<sup>nd</sup> September 2025 for a period of approximately 8 weeks.

This work will be conducted through the existing jetty structure and includes sediment sampling and drilling of boreholes. No marine craft are involved but mariners are requested to pass at appropriate speed to minimise the effects of wash.

Estuary Radio may be contacted on VHF Ch12 or 0151-949-6651 (recorded line).
