

**NOTICE TO MARINERS**

**No 06/21**

**GARELOCH – HELENSBURGH PIERHEAD**

**INSTALLATION OF ROCK ARMOUR REVETMENT**

**Chart 1994**

Mariners are advised that works are under way to install rock armour revetment at Helensburgh Pierhead. All works will be conducted from shoreside with no marine craft involved. It is anticipated that the works will be completed within a period of around the end of January 2021.

Mariners are requested to navigate with caution when transiting this area with due regard to the effects of wash.

Estuary Radio may be contacted on VHF12 or 📞 0151 949 6651.
