

NOTICE TO MARINERS

№46 – 2022

PORT OF LIVERPOOL

OBSTRUCTION IN GLADSTONE LOCK

NOTICE IS HEREBY GIVEN that, following a hydrographic survey today, the level of the obstruction in Gladstone Lock has been assessed as **5.0 m below Chart Datum**.

Chart LPD002_2_2022_005 (Gladstone Lock) refers, which has been promulgated via the normal channels and posted on MDHC's website ([HERE](#)).

Notice to Mariners №45/2022 is withdrawn.

Arrangements are in hand to have the obstruction removed, and further updates regarding this matter will be given via the publication of updated hydrographic survey charts.
