

# NOTICE TO MARINERS

## No. 18 – 2023

### River Medway - Saltpan Reach

### Isle Of Grain LNG Jetties 8, 9 & 10 - Diving Operations

**Notice is hereby given** that work to inspect the structural condition of Grain LNG Jetties 8, 9 and 10 is expected to commence on the 7<sup>th</sup> June 2023 taking approximately 2 – 3 weeks to complete. Inspection work will take place above and below the waterline with contractors working underneath the jetty structures. Diving and structural survey work will be carried out with support vessels 'Renate II', 'Avocet' and "Westbourne" in attendance at all times, all craft will maintain a listening watch on VHF Channel 74 at all times.

**Grain LNG Jetties are located at the following approximate positions:**

No.8 Jetty                      51° 25.93 N                      000° 42.18 E

No. 9 Jetty                      51° 25.95 N                      000° 42.39 E

No.10 Jetty                      51° 25.94 N                      000° 42.55 E

Dive support craft will display the required signals for respective operations, all vessels are requested to pass with extreme caution, minimise their wash and monitor VHF Ch.74 at all times.

Admiralty Chart No. 1834 refers.

Further information may be obtained from Medway VTS on VHF Channel 74, call sign "Medway VTS" or telephone 0151 949 6148 or 0151 949 6650. **(Recorded Lines)**
