

## Notice to Mariners N<sup>o</sup> 35 2026

### Haven Bridge Closure

**NOTICE IS HEREBY GIVEN** that Norfolk County Council will undertake essential maintenance works to Haven Bridge.

Haven Bridge will be non-operational from **Monday 12 October 2026 to Saturday 17 October 2026 inclusive**. During this period, the bridge will not be available to open for river traffic.

Vessels may continue to pass beneath the bridge, provided that the master has confirmed there is sufficient air draught and that all relevant risks have been assessed and controlled. Any passage beneath the bridge is undertaken at the sole discretion and responsibility of the vessel's master.

Published air draught information for Haven Bridge is available on the Port of East Anglia webpage. Mariners should take account of the vessel's maximum height, prevailing water levels and an appropriate safety margin before attempting passage.

For further information regarding the maintenance works, please contact Norfolk County Council.
