

Dear Customer,

**Fuel Surcharge Quarterly Review – 1 February 2023**

Please be advised that the periodical revision of the fuel surcharge has now been concluded, and although fuel prices were observed to soften slightly the fuel price inflation has remained at a significantly inflated value. The below chart provides the impact on fuel prices using purchases in January 2022 as the base.

Therefore, the temporary fuel surcharge implemented on 01<sup>st</sup> May 2022 will remain at the same level and will be reviewed again in three months' time.

Thank you for understanding and continued support.

For and on behalf of the Great Yarmouth Port Company

Yours sincerely,

Richard Goffin
