

## NtM 017 - 2025

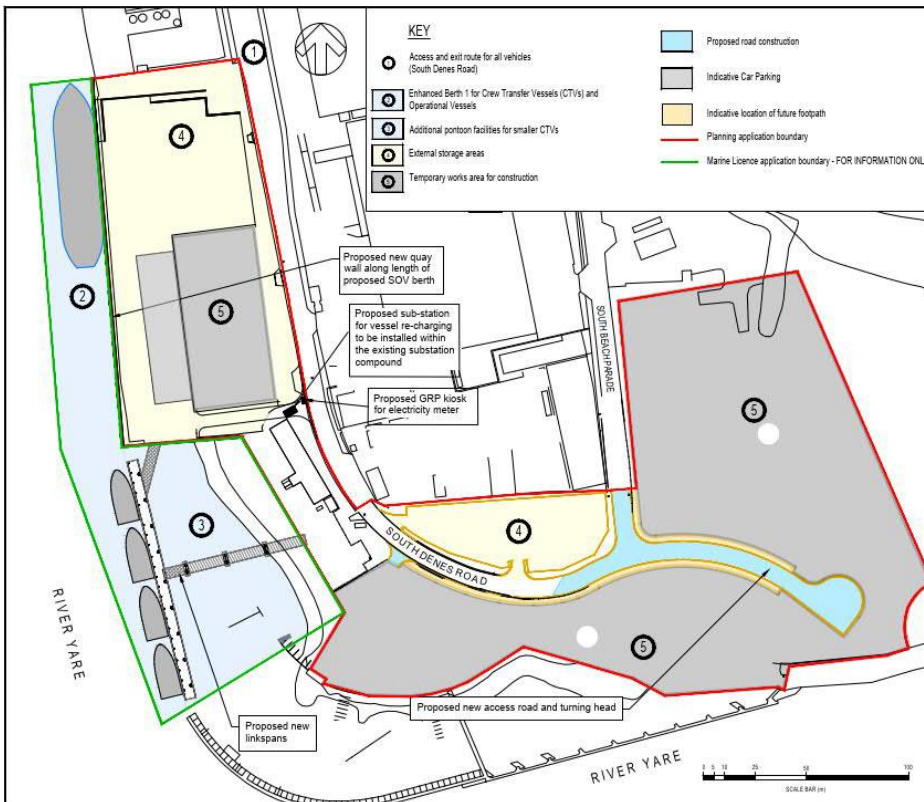

### PORT OF GREAT YARMOUTH

### O&M Piling Works Berth 1. - May 2025

**NOTICE IS HEREBY GIVEN ... MARINERS AND PORT USERS ARE ADVISED** that as part of the construction works on O&M Base, Berth 1, river port, piling works and construction of associated pontoon is expected to commence 19<sup>th</sup> May 2025.

The Proposed Scheme comprises highways and maritime infrastructure for an Offshore Windfarm Operations and Maintenance (O&M) Facility which includes upgrades to the existing Berth 1 A and B quay wall, using a new sheet pile wall located approximately 1m in front of the existing wall to provide a Service Operation Vessels (SOV) berth, installation of a new pontoon and associated restraint piles and access linkspan to form a Crew Transfer Vessel (CTV) berth.

The Proposed Scheme is located in close proximity to the river port entrance, just north of the Brush Bend - Figure 1

**Figure 1. Area of works**

Issued on behalf of Great Yarmouth Port Authority, the Statutory Harbour Authority for the Port of Great Yarmouth  
Telephone calls, VHF radio traffic, CCTV and radar traffic images may be recorded at the Peel Ports Group Port Control Centre, Liverpool.

All Mariners and Port Users are advised to be vigilant and keep well clear of the vessels and works. Vessels entering or leaving the port, will have right of way and be controlled by LPS. Barge and tug will display lights and shapes for the activities as prescribed in the International Regulations for Preventing Collisions at Sea, and will maintain a listening watch on VHF Ch12.

Mariners are reminded to maintain a listening watch on VHF Channel 12 at all times whilst within the Port of Great Yarmouth and to advise 'Yarmouth Radio' of their intention to conduct any manoeuvre within the Port prior to doing so.

Vessels on site will include:
