Dear Customer,

## Fuel Surcharge Quarterly Review – 1<sup>st</sup> May 2023

Please be advised that the periodical revision of the fuel surcharge has now been concluded. The fuel prices were observed to soften since last revision. The below chart provides the impact on fuel prices using purchases in January 2022 as the base.

Therefore, the temporary fuel surcharge implemented on 1<sup>st</sup> May 2022 will be reduced by 50% and will be reviewed again in three months' time.

Thank you for understanding and continued support.

For and on behalf of the Port of Sheerness  
Yours sincerely,

Richard Goffin  
Port Director London Medway
