

NOTICE TO MARINERS

№ 30 – 2025

PORT OF LIVERPOOL

BERTHING RESTRICTIONS AT NORTH HUSKISSON BRANCH DOCK № 3

NOTICE IS HEREBY GIVEN that resurfacing of the road alongside North Huskisson Branch Dock №3 is scheduled to commence on 14 April 2025. The resurfacing is expected to take nine weeks to complete.

Owing to the road's proximity to the quay edge, except for tankers discharging or loading cargo at the eastern end of the quay, vessels will not be permitted to berth at North Huskisson Branch Dock №3.

This berthing restriction will come into force at 07.00 on 14 April 2025 and will remain in force until further notice.

Bookings for tankers intending to discharge or load cargo at North East Huskisson Branch Dock №3 must be made with as much notice as possible. Depending on the phase of the resurfacing works, the presence of a tanker alongside may require rearrangement of the contractor's traffic management scheme. Any restrictions affecting the berthing of tankers will be provided on a case-by-case basis when bookings are made.
