

NOTICE TO MARINERS

NtoM 049 - 2025

River Medway – Garrison Point

Traffic Warning Lights Outage

NOTICE IS HEREBY GIVEN ... Notice is hereby given that the Traffic Warning Lights situated on Garrison Point Fort in the following approximate position are inoperative due to a technical issue, the fault is currently being worked on.

51° 26.80' N

000° 44.64' E

The Traffic Warning Light is positioned to assist vessels in complying with General Direction No. 10, Navigation of Vessels of more Than 130 Metres length Overall Between Sunset and Sunrise and in Restricted Visibility.

The Traffic Warning Light is a white light that flashes every seven seconds and is normally exhibited by day and by night as follows:

- When an inward bound vessel of more than 130 metres Length Overall is underway in the buoyed channel between the Medway Buoy and Darnett Ness the lights are exhibited in an upriver direction.
- When an outward bound vessel of more than 130 metres Length Overall is underway in the buoyed channel between Darnett Ness and the Medway Buoy the lights are exhibited in a seaward direction.

A cancellation notice will be published as soon as the lights are operative.

Admiralty Chart No. 3683 refers.

Further information may be obtained from Medway VTS on VHF Channel 74, call sign "Medway VTS" or telephone 0151 949 6148 or 0151 949 6650.
